## ABOUT US

The gamigo group is one of the leading publishers of online games in Europe and North America and focuses on publishing, operating and support of online and mobile games.

□

Counting over 300 employees in Germany, Poland, South Korea and USA, gamigo is one of the most important players in the gaming industry.

□□

The gamigo group currently has a portfolio consisting of over 25 massively multiplayer online games and more than 5.000 casual games. The game selection includes first-person shooters, fantasy RPGs, building-strategy games, mobile- and casual-games.

Since the company's founding in 2000, this diverse portfolio has been build-up through company acquisitions, purchasing of game licenses as well as worldwide publishing rights.

□□

Part of the gamigo group are gamigo AG, gamigo Publishing GmbH, Aeria Games GmbH, gamigo Portals GmbH, gamigo US Inc., gamigo Inc. and Kings Isle Entertainment Inc.

The gamigo group is proud to be an equal opportunity employer and is committed to create an inclusive work environment that reflects the diversity of our player community.

Qualified applicants will be considered for employment without regard to ethnic group, religion, sexual orientation, gender identity, nationality, age, marital status, disability or all the other characteristics that make us different.

We've learnt that we thrive on learning from each other, so we don't just accept differences — we celebrate them, support them and cultivate them to the benefit of our employees, products and our communities.
