## ABOUT THE ROLE

We are currently seeking a talented and passionate IT-Admin (f/m/d) to support our In-house team. You will join a motivated and experienced team that has a lot to offer and encourages you to grow with us together!

The ideal candidate is an admin who has extensive experience working on Windows OS environments (Desktop and Server) and an excellent understanding of computer hardware in general (Intel x86 architecture).

## YOUR MISSION

- Handle day-to-day internal help desk requests (1st level support)
- Install, configure and troubleshoot / diagnose workplace environments (hard- and software)
- Configure and maintain corporate hardware such as phones, printers and networking equipment, etc.
- Keep inventory of hardware, software and other IT equipment
- Maintain and update documentation, help research and recommend new technologies, equipment and services to test and deploy
- Working in a small IT department and directly with the IT Director

## YOUR SKILL TREE

- 2+ years relevant experience in a similar role
- Excellent understanding of computer hardware in general (Intel x86 architecture)
- Good knowledge of computer network infrastructures - TCP/IP, DNS, DHCP, routing, firewall in general
- Very good knowledge of Windows OS environments (Desktop and Server) and applications (Office, etc.) in particular
- Basic knowledge of database technologies, web services and virtualization techniques
- Ability to work as part of a team and practice a solution-oriented and responsible work approach
- Ability to work under pressure of frequent and tight deadlines
- Ability to quickly get to grips with new issues
- Good communication skills, with a pro-active attitude and ability to solve problems that arise, as they arise
- Very good spoken and written skills in German and English

### Desirable Skills

- Experience/Knowledge in database technologies (MS SQL, MySQL, Elastic), web services (IIS, Tomcat, Apache, Java, HTML), virtualization techniques (Hyper-V or VMware), backup technologies (bare metal / virtual machines), scripting languages (PowerShell,

## READY FOR THE QUEST?

We support you all the way ☐

- Get settled. We offer relocation packages and budgets, provide temporary accommodation, administrative support and more. ☐
- We care about your work-life-balance with competitive vacation days and core working hours ☐
- Green travel at a discount. We offer a Company Ticket for the public transportation system in Berlin (BVG) ☐
- We're dog friendly! Bring your best buddy to the office and make new friends. ☐

We are passionate about growth ☐

- Join a diverse & creative team! Over 28 nationalities come together to create thrilling gaming experiences. ☐
- We're dedicated to see you grow. Receive feedback, internal trainings, workshops and Lunch & Learns and more! ☐

We care about your well-being ☐

- (Mental) health matters. We work with various partners to provide you and your loved ones with support for mental & physical health, coaching and counselling and more!
- Stay fit! We offer a gym membership for FitX gyms around Berlin. The best thing about it? There's one just a ten-minute walk from the office! ☐
- Yum! Our equipped kitchen is stocked with beverages and fresh fruits and we hold regular team events ☐

## OUR COMMITMENT TO DIVERSITY

At YAGER we believe that the best gameplay stories are those shaped by other players. We know together is better and we celebrate the uniqueness and strength found in diversity. We know that an aligned and diverse team will outperform the sum of its parts. ☐

☐

☐ We are committed to creating a safe working environment where a diverse mix of talented people come together to make great games for everyone and to increase diversity and inclusion in the game development industry. ☐
