Job description

At our headquarters in Worms, Germany, we are looking for a **(Senior) Game Producer (m/w/d)**

□

Kalypso Media Group is an independent publisher and developer of interactive entertainment software with more than **170 employees** at a total of **ten locations** in Germany, England, France, the USA and Japan. Five of the Group's development studios in Germany and France, together with other international games developers, ensure a steady stream of new computer and video games for all modern premium platforms, such as the world-famous "**Tropico**" series, "**Commandos**" and "**Railway Empire**".

We offer:

□

- Working where games are at home - true to our motto: Where Games live!
 - A lively, creative and open atmosphere in a growing company
 - Exciting tasks, freedom to develop your own ideas and initiatives as well as short decision-making processes
 - Responsible work in a constantly evolving industry
 - Play Games, Love Games, Live Games: A team that has fun together and stands up for each other.
 - Vitamins, caffeine & fun included: Fresh fruit, non-alcoholic drinks and a recreation room with table football, consoles and board games are freely available.
-
- We make it our goal to proactively contribute to the mental health of our employees. We are supported by an online tool.
 - Sustainability is at the forefront: our office is within walking distance of the main railway station, we offer bicycle leasing via Jobrad and a pro-rata VRN job ticket for public transport.
 - Alternatives for car drivers: travel allowance or parking space
 - Fast food or healthy? Our central location offers a wide range of food for the break - and we pay part of the costs!
 - Think about later: you can continue an existing company pension scheme or apply for a new one by converting your salary.
 - Flexible working hours and a hybrid workplace model (home office & office)
 - Re-location? No problem - we help you get started with a company flat (shared flat; if available).
 - We support your own further development with feedback meetings and tailor-made further training opportunities.
 - Attractive employee discounts and company events round off the package with additional content.

□

Your profile:

- Enthusiasm for games and game development
- 3years of professional experience as a producer in the video games industry
- Existing track record (supervision and completion of existing projects).
- Experience with projects focused on management, simulation or strategy as well as next-gen console (Xbox One, PS4, Switch) is a plus
- Very good MS Office skills and documentation skills to ensure transparency and traceability of projects
- Experience with project management methodologies (Scrum, Waterfall, etc.) and project related software (Hansoft, Jira, Mantis, etc.)
-

Games-Career.com is a service provided by:

- Very good and business fluent English, both written and spoken
- Very good communication skills (verbal & written)
- Willingness to travel for regular studio visits at home and abroad

Your tasks:

- Supervision of projects from the first pitch to the closing package (concept to ship)
- Closing projects in time, budget and quality and helping to define these points
- Supervision and motivation of the development teams and interface with Kalypso
- Creation and acceptance of development milestones, as well as budget control
- Active support of stakeholders (PR, marketing, etc.) at Kalypso and in the studios
- Organization and maintenance of related project documentation (protocols, reports, FAQs, Game Design Pillars, etc.)
- Contact person in the company for detailed questions about the development and its content
- Evaluation and analysis of new projects (pitches, prototypes, etc.)
- Coordination of QA and localization

Interested?

Then we look forward to receiving your meaningful application with cover letter, resume and references.

We put a lot of emphasis on a cover letter. Don't see it as a chore, but as an extra chance to show who you are/tell us more about yourself.
