package and have access to all of our benefits.

2. If you are already living in a European Union member state, we are able to offer you a permanent work contract and allow you to work remotely as an employee from there.

3. If you are interested in full-time remote work in any other country outside of the European Union, we can offer you a freelance contract arrangement.

□

### **Responsibilities**

- Work closely with the Art Director, the Concept Art Team and other stakeholders to create industry leading character and/or environment concepts
- Creating a unique and consistent style for a complete game universe
- Iterate on ideas quickly through sketches and thumbnails
- Creating concepts for day to day production of in-game art assets
- Communicate visual ideas across teams and departments
- Mentor junior concept artists.

□

### **Requirements**

- 5+ years of professional experience
- Worked on and shipped at least 1 AAA game title
- Strong focus on Design and problem-solving
- Deep understanding of human and creature anatomy.
- Ability to create high quality concepts for environments, weapons and props
- Ability to create concept drawings based on written or verbal notes from the responsible superior / director
- Strong sense of design and composition and a good eye for detail, materials and scale
- High Quality portfolio of gamedev-relevant art
- Excellent knowledge of 3D Software Packages and Photoshop
- Good English communication and writing skills.
- Be proactive and self-motivated, work without direct supervision.

□

### **What you can expect from us**

#### **Home Office**

Work-life balance is not just a hollow term for us. At Crytek, we offer you the option to either work from home or in our studio. □

#### **Career Path**

Your professional development is important to us, so we have laid out a career plan to help

you progress towards your goals and objectives. □

### **Company Apartment**

To help you get settled, we provide you with a fully furnished company apartment during your first three months in Frankfurt.\* □

### **Relocation Support**

We offer a relocation budget and full coverage of flights to Frankfurt for you and your family. □ You can expect extensive assistance with visa, work permits, and communication with authorities during the relocation process, as well as help settling into Germany (e.g. setting up appointments with banks, government agencies, schools, landlords, finding apartments etc.).\* □

### **Public Transport Pass**

Discover Frankfurt by bus, tram and metro – free of charge.\* □

### **Gym Card**

A healthy body is a healthy mind. We offer a membership at the premium gym chain Fitness First in Germany. Work out, join group fitness classes, or relax in the wellness facilities. □

### **International Environment**

We truly embody diversity at Crytek. With employees from over 42 different countries, we define ourselves by our cultural diversity. □

### **German Classes**

Understanding the local culture will make your stay abroad more enjoyable, and Crytek supports that by offering German language courses for you and your family. □

### **Events**

Join us on our exciting company events, including new starter breakfasts, summer and winter parties, our annual trip to Gamescom in Cologne, and many more! □ We are all gamers: stay connected and play games with your colleagues at our remote gaming parties. □

### **Vacation Days**

At our Frankfurt office you can enjoy 24 days of vacation per year, and every 2 years you get 1 more (up to a maximum of 28 days). You will also have on average 10 public holidays on top of the days you take off. If you are working from another country, local standards apply.

\*only applicable to employees in Frankfurt.
