What you can expect from us

Career Path

Your professional development is important to us, so we have laid out a career plan to help you progress towards your goals and objectives.

Company Apartment

To help you get settled, we provide you with a fully furnished company apartment during your first three months in Frankfurt.*

Relocation Support

We offer a relocation budget and full coverage of flights to Frankfurt for you and your family. You can expect extensive assistance with visa, work permits, and communication with authorities during the relocation process, as well as help settling into Germany (e.g. setting up appointments with banks, government agencies, schools, landlords, finding apartments etc.).*

Public Transport Pass

Games-Career.com is a service provided by:

Discover Frankfurt by bus, tram and metro – free of charge.*

Gym Card

A healthy body is a healthy mind. We offer a membership at the premium gym chain Fitness First in Germany. Work out, join group fitness classes, or relax in the wellness facilities.

International Environment

We truly embody diversity at Crytek. With employees from over 42 different countries, we define ourselves by our cultural diversity.

German Classes

Understanding the local culture will make your stay abroad more enjoyable, and Crytek supports that by offering German language courses for you and your family.

Events

Join us on our exciting company events, including new starter breakfasts, summer and winter parties, our annual trip to Gamescom in Cologne, and many more!*

We are all gamers: stay connected and play games with your colleagues at our remote gaming parties.

Vacation Days

At our Frankfurt office you can enjoy 24 days of vacation per year, and every 2 years you get 1 more (up to a maximum of 28 days). You will also have on average 10 public holidays on top of the days you take off. If you are working from another country, local standards apply.

*only applicable to employees in Frankfurt.
