- Provide a portfolio demonstrating graphic design skills.

## Relocation & Remote Work

Although we believe living close to our studio helps foster team spirit and stronger bonds between team members, we understand that people have different needs and expectations for their place of residence. You have a choice of three location options, allowing you to work with Crytek from anywhere you wish:

1. Come to our modern headquarters in Frankfurt and receive an attractive relocation package and have access to all of our benefits.

2. If you are already living in a European Union member state, we are able to offer you a permanent work contract and allow you to work remotely as an employee from there.

3. If you are interested in full-time remote work in any other country outside of the European Union, we can offer you a freelance contract arrangement.

## What you can expect from us

### *Home Office*

Work-life balance is not just a hollow term for us. At Crytek, we offer you the option to either work from home or in our studio.

### *Career Path*
