Job description

We at Ravensburger are both a truly global company and a family. As a bunch full of different characters and personalities with heart and a passion for achieving our goals together, we offer a great range of entertainment for children and families. What drives us forward? A shared sense of purpose. Together we are working on creating something meaningful - pure fulfillment for your career!

This is what we need you for

- You scout and guide agencies, designers, and photographers, ensuring creative excellence by delivering clear and inspiring briefs
-

By collaborating closely with the product development team, you bring the game's vision to life and help achieve – or even exceed – its goals

- You independently conceptualize and design moodboards, packaging, logos, icons, and more, shaping the visual identity of our products
- You are solution-oriented, take initiative, and can independently manage the moving parts of a creative pipeline

This is what you can score highly with

- You have a sense of creativity and expertise in graphic design, typography, and artistic illustration fundamentals
- Your proficiency in Adobe Creative Cloud, especially in InDesign, Illustrator, and Photoshop, sets you apart
- Business English is no problem for you, and you are also fluent in German, both written and spoken
- Your passion for board games and the ability to visually bring their magic to life characterizes you
