## Job description

### **Karlsruhe | hybrid working | full-time | from now**

We are one of the leading publishers of free-to-play online games based in Karlsruhe, Germany.

The Roblox team within the department New Games focuses on both live operations for some of the platform's most popular titles and the development of fresh, original gaming experiences. We combine rapid interaction with a deep understanding of the Roblox ecosystem to engage millions of players worldwide.□

Become part of our Development Department and work together with the Roblox Games Department to increase the success of the existing Roblox portfolio as well as achieve new

successes. ☐

**Please submit your application in English.**

**Please enclose a portfolio, test assignments or samples of your work to your application.**

☐

## **Your mission**

- You are responsible for implementing new Roblox games based on well defined specification from our game design team
- You will manage and maintain already published games
- You will extend functionalities of already published Roblox games
- You create technical specifications that drive the team's work forward
- You are responsible for the documentation of your results

☐

## **Your skills**

- You have at least two years experience in "Roblox Studio"
- You have a strong server-client understanding
- You have good frontend implementation skills
- You have worked as a developer on at least one shipped game title ☐
- You are comfortable in technical communication in English
- You live for online games and know the ins and outs of Roblox Studio
- You like working in a team and want to bring you and your abilities to the forefront
- You keep a cool head and can easily adjust to changing situations and modify existing processes

☐

## **Your Gameforge setting**

- An international company awaits you! English is our company language, as employees from over 35 nations are part of our team
- The future's hybrid! ☐ Together with your manager and team, you can arrange how you split your time working from home or at the office
- Where colleagues become friends! Regular team events and an open company culture
- We put our complete trust in you! Trough freedom to choose things like flexible assignment of working hours and personal responsibility for your own work

☐

## **About Gameforge**

Games-Career.com is a service provided by:

Founded in 2003, Gameforge is a leading Western publisher and operator of widely acclaimed Massively Multiplayer Online (MMO) and browser-based game titles. Gameforge builds highly active and enduring global communities by supporting players through the greatest quality LiveOps, provision of localized content, engaging community management, and frequent delivery of meaningful updates.

Gameforge's diverse portfolio of highly successful gaming brands provides different worlds with engaging experiences for players from all walks of life: core MMORPG titles AION Classic, Runes of Magic, and Metin2, beloved anime MMOs Elsword and NosTale, strategy-focused browser games like DGame and kariam, along with indie titles such as Trigon: Space Story and Tiny Thor.
