Description

Type of employment: Freelance
Entry date: immediately
Place of work: Berlin

My name is Bárbara Lanzasrote.

I´m a freelance multidisciplinary spanish artist who is looking for projects to work like a 3D generalist, concept art, character design, etc.□

I work the digital and the classic art techniques and I have experience in diferents artistics areas. I like to work in Team and new challenges. I´m creative and I like telling histories with creatives ways.

I have a lot to offer, I am always ready to learn, and I have enthusiasm for taking part in new projects.
