### Description

Type of employment: Full-time  
Entry date: immediately  
Place of work: Remote / Köln

Heloo,  
my name is Denis and I am currently looking for an open position as **3D Generalist**.  
I recently graduated with an bachelor in digital arts and entertainment. Previously I aquired a degree in media communication.

Personally I am very interested in **Houdini, 3ds Max und Substance** and use those programs a lot. Furthermore I am skilled in **Unreal, Unity, Photoshop, ZBrush und Quixel**.

I have also basic knowledge of some common programming languages like **Vex, Python, Java**, which I tend to use for easing my workflow by programming smaller tools, at the moment I mainly use Houdini (Vex) for those.

In engine I prefer to program using visual scripting like the Unreal **Blueprint System** or/and Unity's **Bolt**.

### Skills:

#### **Software:**

Houdini  
3ds Max  
Substance (Painter/Designer)  
Unreal  
Unity  
ZBrush
