Description	
Type of employment: Entry date: Place of work:	Full-time 06/01/2024 Osnabrück und Umgebung, Remote
Hello!	
	It for a new job and to perfect my skill together with a Team! g Games to live together with others.
In my entire Time studying (2D Art (and Asset creation).	Gamedesign i specialized in Accessible Design, Gamedesign and
	ether with astragon Entertainment as Visual Designer, creating erating of our/their Games as well.
Aside this i also have experient Management.	ence in Product- and Project-management as well as Social media
I'm always happy to broader	n my horizon and learn more, even if its entirely new to me!
