### Description

Type of employment: Freelance  
Entry date: immediately  
Place of work: Buenos Aires, Remote.  
Salary Expectation: For talking.

My name is Emanuel Sachello.

☐

I'm looking for Jobs as a Composer and/or Sound Designer for Videogames.

☐

I had classical musical education studying music theory, orchestration, composition and interpretation with the oboe. I have worked on orchestras of many styles like jazz, early music and symphonic music. As sound designer i have worked for invitations in many video animations or videogames of students. ☐

☐

I love music, book, stories and videogames. My passion is make music that teller the great stories of characters, the vibe of a place or the nostalgia of a memorie. Also i love giving life to the atmosfera with the sounds that innerserve to the player or viewer.
