Description

Type of employment: Full-time
Entry date: immediately
Place of work: Hamburg

Hi there,

I'm a young designer with a lot of new ideas, wanting to learn more and do great designs.

Since 2009 I'm an officially recognized graphic designer and worked since that as a freelancer.

Now I finished my Bachelor thesis and now I'm searching for a full time job without freelancing in Hamburg.

I already worked in the games industry so I know the requirements.
